

# LYNN WATERFRONT OPEN SPACE MASTER PLAN

## FIRST PUBLIC MEETING

MAY 2, 2017 6:00 PM CITY HALL  
3 City Hall Square  
City Council Chambers  
4th floor  
Lynn, MA

We want your ideas on how to activate  
the public waterfront!

Should there be  
grassy lawns,  
shade trees, and  
a promenade  
along the water?

Connections  
between the  
waterfront and  
Downtown?

Boat races,  
picnics at Heritage  
State Park?  
Canoeing and  
kayaking?

EXECUTIVE OFFICE OF ENERGY  
& ENVIRONMENTAL AFFAIRS

A Public Meeting is being held to share ideas for locating potential new parks, public spaces, and a promenade along the waterfront in Lynn. Development is beginning along the Lynnway and we are creating an Open Space Master Plan that preserves waterfront access for the public.

Please join us for this, the first of four public meetings, and share your ideas for making the Lynn Waterfront a fun place for all!
